

**MISSION  
TITLE:**

**SEVEN SECRET ACTS**

**CASE #**

**M2L002**

Your mission this month is to do **SEVEN (7) SECRET ACTS OF SERVICE** at home or in your community. Vacuum the living room, take your neighbors trash can to the curb on pick-up day, or even clean up your friend's room. Whatever you choose to do, just make sure you **DO NOT get caught!**

Print out the Secret Service cards on the following page and cut them out (or create your own Secret Service cards with a sticky note or paper.) After completing each secret act, leave behind one of the cards at the scene of the secret act.

Once you have finished this mission, fill out the next page in your Mission Log listing all the secret acts you completed. Make sure you get your parent's signature at the bottom of the page.

**Good Luck Special Agent!**
