

GUIDE LINES

SAFETY & SECURITY

Check-In and Pick-Up: When checking your child into his or her classroom, one security badge will be given to you and another will be attached to your child. You must present this badge when picking up your child at the end of the service. If you lose your security badge, you will need to provide additional identification.

MeckKidz Check-In closes 15 minutes after the start of each service. A family viewing room is available for those who arrive after that time.

If your child needs you during the service (illness, excessive crying, etc.), we have a paging system in place so that you can be informed while you are attending the service.

A security team is present at every service that consists of staff, volunteers, and police officers.

A screening process, which includes a background check, is implemented for all volunteers before they are allowed to serve in our children's ministry.

HEALTH & WELLNESS

Emergency medical personnel are onsite for weekend services to assist in the event of an injury or if a child becomes ill.

For everyone's protection, we request that volunteers and children not attend MeckKidz if they are exhibiting any of the following symptoms:

- Fever, currently or within 24 hours without medication
- Vomiting or diarrhea
- RSV, Chicken Pox, Mumps or Measles
- Rash, sore throat, or skin infection (pink eye, ringworm, impetigo, etc)

COVID Protocol: We follow all CDC recommendations for COVID related procedures. Please follow these guidelines if your child has COVID or has been exposed to COVID.

Face Mask Policy: Meck follows Charlotte Mecklenburg mandates regarding face coverings.

If you have any questions related to the safety and security of your child in MeckKidz, please feel free to email us!
